## OUR PACKAGES:

**Platinum Package:** This package starts 60 days prior to your wedding day. This package does not include setup or break down of any décor or diy items. These services are available upon request for an additional service fee.

**Diamond Package:** Not everyone needs a Wedding Planner...Most brides think they can plan and execute their wedding on their own. We want every bride to have their dream wedding. Let Elite Events wedding consultants and event planners create your vision with style. Our Diamond Package offers wedding planning and event management from beginning to end.

Email or call us to schedule your complimentary consultation to book and reserve your wedding day. On your special day, you can sit back and trust we will take your vision and do our best to make it a reality. Team Elite will make sure that all elements are in place at the appointed times. All you have to do is enjoy and marveled at the finished product.
